Figure	Description
 The screenshot displays the eSignAnyWhere Home interface. At the top, there's a navigation bar with 'Home', 'Envelopes', 'Application Settings', 'User Settings', 'Data mappings', and 'Recipient Settings'. Below this, a brief introduction to Namirial is shown. The main content area is divided into three sections: 1. 'Envelopes' (2 items): A list of envelopes with details like 'TestUpdate4', 'TestUpdate3', 'TestUpdate2', 'TestUpdate', 'test', and 'Template with placeholder SF 30/11 14.22 mod'. 2. 'Envelope Report' (3): A donut chart showing the distribution of envelopes by status: Completed (blue), Draft (orange), Expired (green), In progress (red), and Not sent (yellow). 3. 'Created envelopes by month' (4): A bar chart showing the number of envelopes created by month, with bars for month 1 and month 2.	1. Basic information of Namirial GmbH 2. The list of envelopes sorted by name. 3. A pie chart representing the distribution of envelopes by their current status. It is automatically generated based on corresponding report. 4. A bar graph representing the distribution of envelopes by the month in which they were created. The graph is automatically generated based on corresponding Salesforce report i Reports are visible only if your user is enabled to see the Salesforce reports.
